

Curse Of Her Kiss

Chorus:

Dee da dee da dee da dee da
Dee da dee da dee da dee da
Dee da dee da dee da dee da
Dee da dee da dee da dee da

V1:

I was lessoned very well in the art of disbelief
Mother's classroom was her suffering in the school of silent grief
Father paid for twenty tractors Shining them was meant for me
Never question one who's stronger Twenty lessons he taught me.

Chorus:

V2:

Drifting into teenage dating on a raft of heavy beams
From the woods of make believe can't see the forest for the trees
I have rescued little critters I have rescued kids in deep
I have rescued forlorn lovers no one's ever rescued me

Is this just hit or miss is there a reason for this

Chorus:

V3:

May years have come and gone by Too few loves have gone by too
Endless hours with an aching Hope sustained a love that's true
I met a woman cute and comely Thought that she was saved for me
We wine and dined a month of Sundays Just to get between the sheets

Chorus:

V4:

Connecting dots in conversation Disconnect our clothing too
We wrapped ourselves around the thunder Shuddered like new lovers do
She seemed to love so free She seemed that she loved me
She thought independently I perceived her need in me

And along with the bliss came the curse of her kiss

Chorus:

V5:

Lovers now part of a two God forgive our head long rush
I knew that I was in like flint when she invited my toothbrush
I paid the bill religiously I paid her fine attention
I paid and paid and paid her head I paid a king's ransom

Chorus:**V6:**

We played house a little while to see if we would marry
She was testing me I think to see what I could carry
She said we're the perfect pair and that she's always right
I turned my stomach inside out and twisted it up tight

Its at moments like this came the curse of her kiss

I've always raged deep inside at my fear of her withering eyes
My suspicions have been realized of the intent of her bedroom lies
But when put to the test I'm compliant at best
When I get up some nerve she will through me a curve

It's at times just like this came the curse of her kisss

Chorus:**V7:**

We were married on a cruise ship in the Port of Miami
Our honeymoon had dripped with sweetness sailing on a golden see
But coming back to real life later now that I was heavy hooked
I tried to love her casually She just gave me dirty looks

Chorus:**V8:**

Many years had come and gone by Too many fights had gone by too
Too many heart breaks for the counting Promises and broken truths
She seemed to despise me. She said she was good for me
We broke up almost endlessly Back she's always come to me

When I tried to resist came the curse of her kiss

Chorus:

V9:

Olly, olly ox-in- free Call my senses back to me
Lift the veil and let me see Find an exit strategy
Keep her perfume far away Find another place to stay
Stay real low like no one's home and disconnect the telephone

And she might just desist with the curse of her kiss

Chorus:

Dee da dee da dee da dee da
Dee da dee da dee da dee da
Dee da dee da dee da dee da
Dee da dee da dee da dee da
Dee da dee da dee da dee da
Dee da dee da dee da dee da
Dee da dee da dee da dee da
Dee da dee da dee da dee da
Dee da dee da dee da dee da
Dee da dee da dee da dee da
Dee da dee da dee da dee da
Dee da dee da dee da dee da
Dee da dee da dee da dee da
