

## **Scarlet Letters**

### **V1**

Witness the scene of a terrible stream of reactions  
Caught in between some indiscreet internet actions  
I never thought things would get as bad as they are  
I only wanted to have a fling from afar  
Late in the night by the monitor light typing tales  
Scarlet letters haunt my e-mails

### **V2**

I never thought that I'd get caught by a fatal attraction  
No good news can come from the use of affections  
I never cried as much as when you left in your car  
I should have known that this would have left a deep scar  
I never wanted to make my marriage fail  
Scarlet letters haunt my e-mails

### **Chorus**

Scarlet letters from my fingertips  
Spell out longing for forbidden lips  
Careless was I to let them fall in your eye  
Hurtful was I and now it's my turn to cry  
Listen to the ghost of matrimony wail  
Scarlet letters haunt my e-mails

### **V3**

I never knew that I moved in mysterious fashion  
Infidelity grew from an illicit passion  
I never wanted to cause anyone any grief  
Flirtatious temptations were meant to be perfectly brief  
How many ways can a coffin be hammered with nails  
Scarlet letters haunt my e-mails

### **V4**

I have heard the pen is mightier than the sword  
I have learned the worst is the hand to keyboard  
I'm like that guy with the wings that melt in the sun  
Flying to close to the heat the curious one  
Falling into prison solitude without bail  
Scarlet letters haunt my e-mails

### **Chorus**

### **Outro**

Scarlet letters haunt my e-mails.
